CITY GOLF

City Golf is a special award table originally developed for mobile platforms back in 2013. Set on a vibrant golf course, this table brings a light and accessible pinball experience inspired by the relaxed atmosphere of classic golfing environments. Designed with simple, straightforward gameplay and clear scoring opportunities, it focuses on precision shots, steady progression, and satisfying combo building across a clean, approachable layout. City Golf captures the nostalgic feel of early mobile-era pinball while offering a modernized presentation for longtime fans.
